A Good One.—In the U. S. Senate last week, an Indiana man twitted Clark of Rhode Island, about the Governor of that State having so poor a salary that he was obliged to raise cows and peddle milk. Clark rejoined that while in Rhode Island they raised their calves and solid their milk, in Indiana they raised their calves and solid their milk, in Indiana they raised their calves and sometimes sent them to Congress. The Indiana man sat down pretty well skimmed.

A lad a day or two since, was called to the witness stand in the Common Pleas Court, whose tender years raised doubts as to his competency as a witness, by not understanding the nature and obligations of an oath.

The first question put was, "Are you a son of the plaintiif?"

The little fellow, crossing his legs, and putting about half a paper of "Lilinthal" in his mouth, with the utmost sang froid replied: "Well, it's so reported." He testified.— Cleveland Her.

Sir:—We have given your CHERRY PECTORAL an extensive trial in our practice, and find it to surpass every other remedy we have for curing affections of the respiratory organs.

DRS. DIEMER & HAMPTON. To Singers and Public Speakers.

This remedy is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours, and wonderfully increases the power and flexibility of the voice. Asthma Is generally much relieved, and often wholly cured by CHERRY PECTONAL. But there are some cases so shot, nate as to yield entirely to no medicine. CHERRY PEC-TORAL will cure them, if they can be cured.

Bronchitis, r irritation of the throat and upper portion of the lung may be cured by taking Cherny Peuronal in small and frequent doses. The uncomfortable oppression is soon relieved,

Rev. Boct. Lansing, of Brooklyn, New York, states:—

"I have seen the Cherry Pectoral cure such cases of Asilma and Bronchitis as leads me to believe it can rarely fail to cure those discoses."

For Croup. Give an emetic of antimony, to be followed by large and frequent doses of the Cherry Pectoral, until it subdues the disease. If taken in season, it will not fail to cure. Whooping Cough
